*Re: Sheerlee Mischel, Keller Williams' Agent*

*To Whom It May Concern:*

*While going to several open houses throughout my neighborhood I had the opportunity to meet Sheelee. My first impression of her was that she was very personable. She encouraged me to look around the home freely without being pushy. She was very open to answering any questions or concerns I had.*

*The enthusiasm and commitment Sheerlee displayed during this open house, made her stand out among other realtors I had encountered.*

*Therefore, when we decided to put our home on the market I chose Sheelee to be our agent without hesitation. I knew that her outstanding professionalism and dedication to her job would help us sell our home immediately. Six weeks later our home was under contract.*

*Though that negotiation fell through due to some inspection issues, Sheelee is presently helping us correct those issues before we consider putting our home on the market once again.*

*Her professionalism and dedication have proven to be of great value to my family. I assure you Sheelee will do the same for yours. That's the only way she knows to function.*

*Feel free to contact me @(201-261-8113) if you have any questions.*

*Sincerely yours,*

*Mr. and Mrs. Jose Mora*
