To Whom it May Concern,

We highly recommend Sheerlee Mischel as a real estate agent! She will help you from the beginning of the process all the way through to the closing.

The moment we met Sheerlee we knew she was the right agent to represent our home. We first met Sheerlee at an open house. Her professionalism, enthusiasm, and marketing skills really made an impression. When Sheerlee conducted a market analysis of our home, we were very impressed with her knowledge of the area, marketing plan, and suggestions for competitive pricing. Most importantly, she exhibited tremendous care and concern because she truly understood that selling our home was a huge decision.

Sheerlee has a knack for creating excitement about her listings among her fellow real estate agents as well as the general public. Within the first week that our home was on the market, we had multiple showings, an open house, and three competitive offers. Sheerlee helped us to review the offers and choose the best one. Our home was quickly under contract and we were excited to begin the process of finding a new home.

Sheerlee used her expertise to assist us with the enormous task of finding a new home. Our home search was tricky because we did not want to leave our town. Sheerlee's positive and patient demeanor was just what we needed during this very overwhelming time. She e-mailed us daily listings and showed us many homes. She always made us feel like we were her top priority and showed a genuine care and concern for our family. Ultimately, Sheerlee helped us to make an offer on a new home and negotiate a fair price.

We could never imagine going through this complicated process without Sheerlee Mischel. She is a delightful, caring, professional and hands-on agent. It was our pleasure working with her and forming a lovely friendship.

Sincerely,

Hugo and Barbara Palacios
